- 1. The Kragujevac Youth Garrison Command organized a technical assembly for the youth of Kragujevac between 7 and 12 May 1950. Approximately 5,000 boys were present on the first day. Practical manouvers were carried out on the fifth day.
- 2. Practical maneuvers were carried out in such a way that firing was begun between two artillery batteries on fully determined positions, where communications were completely cut off, and wire entanglements and mine fieldslaid. The officers explained to the boys the course of the maneuvers, the duties of enlisted men in offensive and defensive, the exploitation of natural cover, and firing direction.
